# \*A visit to School Reception\* Class I

School reception is the heart of a school or college. It is the first place that visitors view on entering the school premises.

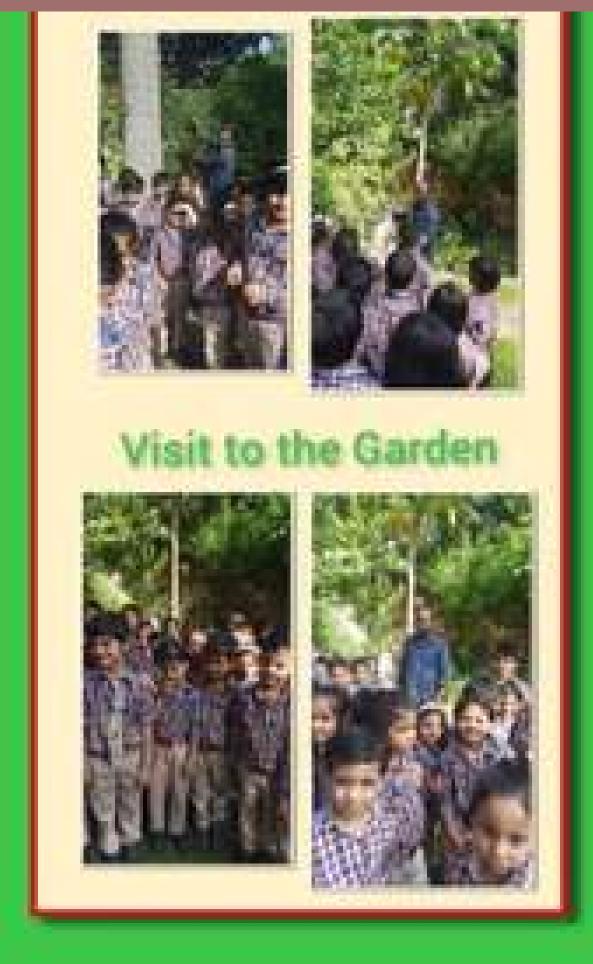

The students of class I were accompanied by their teachers to visit the school reception today.

The children were made to enter the school reception through the main door. They were introduced to Kusum ma'am our school receptionist. She interacted with the kids and rendered a helping hand incase they need any help.

Indeed a fun filled learning experience for our young learners!

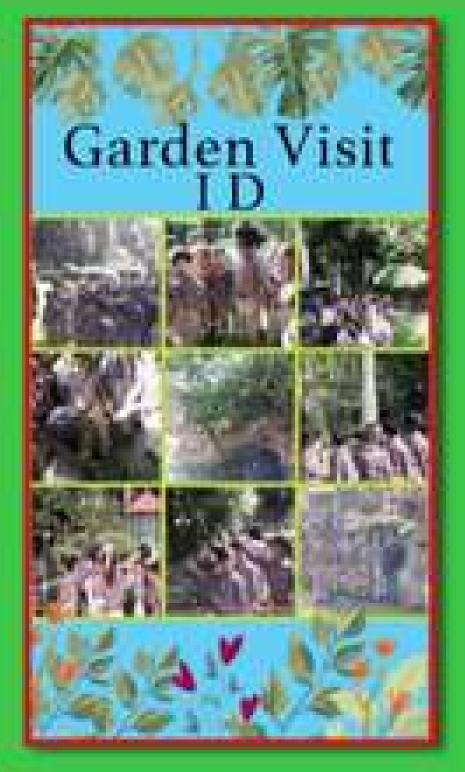

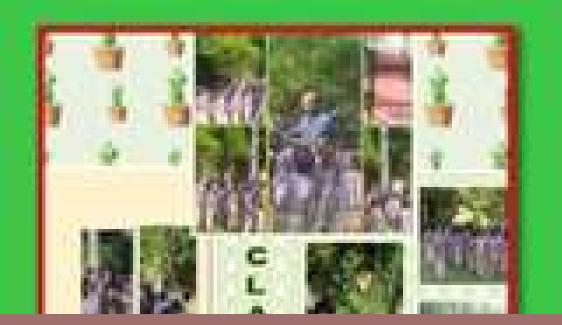

### Visit to the garden Class - 1

\*Undoubtedly, animals are the human being's best friends\* A role play on animals was conducted by students of class. The children presented and acted like animals beautifully. They shared the characteristics, food habits and few fun facts on animals in the class. The activity helped the children to improve their speaking and presentation skills. They were excited and enthusiastic to act like their favourite animal.

Headgear activity by class 1 A craft activity of making Tribal headqears out of leaves and old newspapers were done in the class. Eye and hand coordination was built by pasting the leaves and folding the newspaper. Students enjoyed alot and were told about how tribal people live and do different things. They were excited and enthusiastic to wear the headqears.

"\*Overall I want you to discover the joy of creation by your own hand. The possibility of creation from paper is infinite".\*

\*"There is more treasure in books than in all the pirate's loot on Treasure Island."\*

Reading not only has tremendous power when it comes to fueling the development of all aspects of language ability, its importance to the entirety of a student life in this day and age really can't be overstated. We firmly believe that reading should not be presented to the students as a chore or duty. It should be offered to them as a precious gift. To unfold this gift, the students of Grade V are encouraged to indulge themselves in extensive reading sessions during their library period and zero periods. The teachers ensure that each and every student is carefully observed and assisted. The students also record the name of the books that they have read in their school almanac for future reference.

RAINY SEASON

Bagless Day

Experiential Learning

## \*BAGLESSS DAY - Class I \* Date - 6.8.2022

"\*All work and no play makes jack a dull boy."\*

This quote very well implies that the studies without extra curricular activities cannot help a child grow holistically. Thus, bagless days have been introduced in the school with the objective of the physical, mental and intellectual development of students.

- In this regard the students are given a day-off from studies. At the same time, other extra-curricular activities are planned for the day.
- The teachers of Class I also planned some really interesting and fruitful activities for the students on for Bagless day.
  - The children were engaged in games related to Naming words using colourful pictures.
    - This task helped the children to understand the topic of nouns even better.
    - To make the day even more enjoyable, clay modelling was done by making their favourite cuisines.
  - A fun-filled Maths activity using ice cream sticks was also initiated in which the children were helped to make
- Last but not the least, the students had a wonderful English coversation session by one of the parent under \*Parent As A Partner Program

  \*\*marking the end of the day.

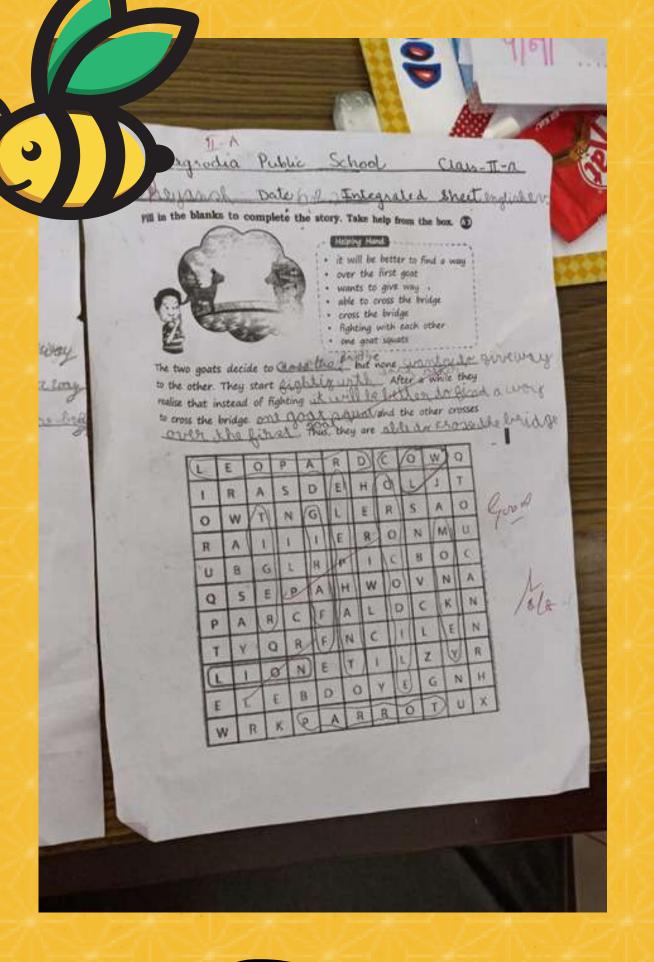

The young learners of Class I enjoyed to the fullest!

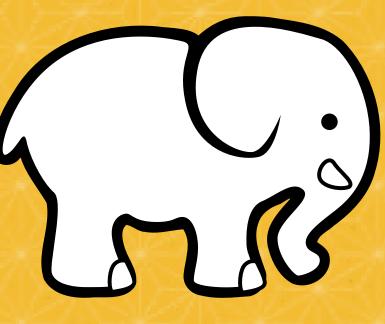

\* Bagless Day Report \*
Class II - 06.08.22

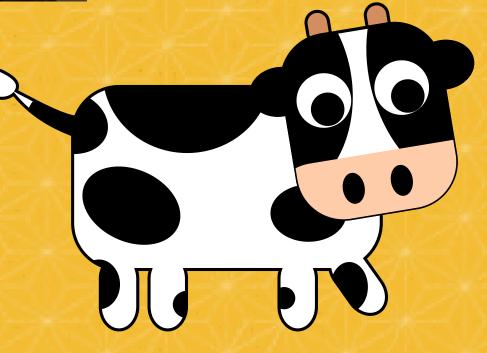

"\*Things grow stronger when you integrate"\*

The teachers of Class II of N.K Bagrodia Public School, Rohini planned a fun integrated EVS worksheet on bagless day. The children were engaged in two fun activities. - a picture composition along with word search. Students had to identify the picture and complete the story. They had to find the names of different animals hidden in the grid which was accomplished with interest by the children. Students enjoyed doing both the activities thoroughly.

"Story telling is the most powerful way to put ideas into the world today"

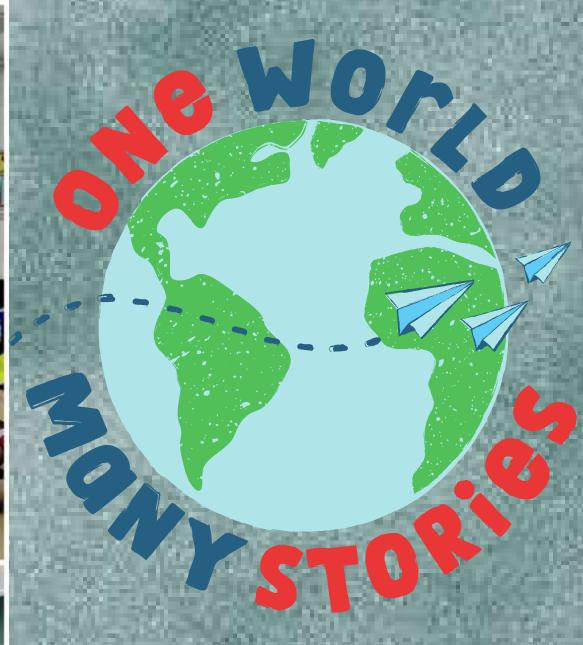

As a part of Parents as a Partner program A Story Telling Session was organized for the students of class 2 on 6th August by Ms Anshu. The session was indeed valuable. Children found it really interested and engrossed in the story of "Noah's Ark" which was told to them with creative gestures, facial expressions and voice modulation. Overall it was an interactive session where children were taught the value that God always provide a way for us to begin again with Him. The story was integrated with Art and Craft and students were taught to make paper boat. They participated enthusiastically.

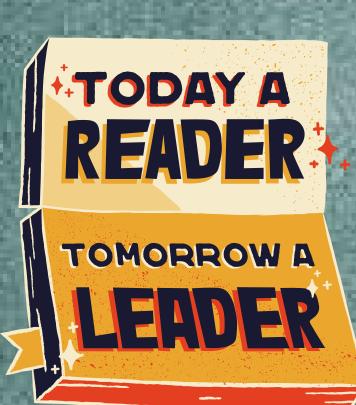

"Animals have hearts that feet, Eyes that see, and families to care for Just like you and me." To teach students about The Animals Kingdom a hand puppet activity was conducted on 06/08/22 for Class 2. Students made hand puppets on pet and wild animals and spoke few lines on it. Overall it was a fun filled activity Land students efforts were commendable.

A special assembly was organized to celebrate the birth of Lord Krishna by the students of Class 1 and 2 on August 18, 2022.

The auspicious celebration began with a lovely prayer to remember Lord Krishna.

The students presented

the teachings of Lord Krishna through a dance – drama.

As Janamashtami marks the birth of Lord Krishna, class I students presented a skit showcasing the same. The event of Govardhan Parvat was presented by class II students with enthusiasm and zeal.

The celebration of Janmashtami is incomplete without boogieing on Krishna Leela songs. Last, but not the least, the students put their feet on stage and danced happily remembering Krishna.

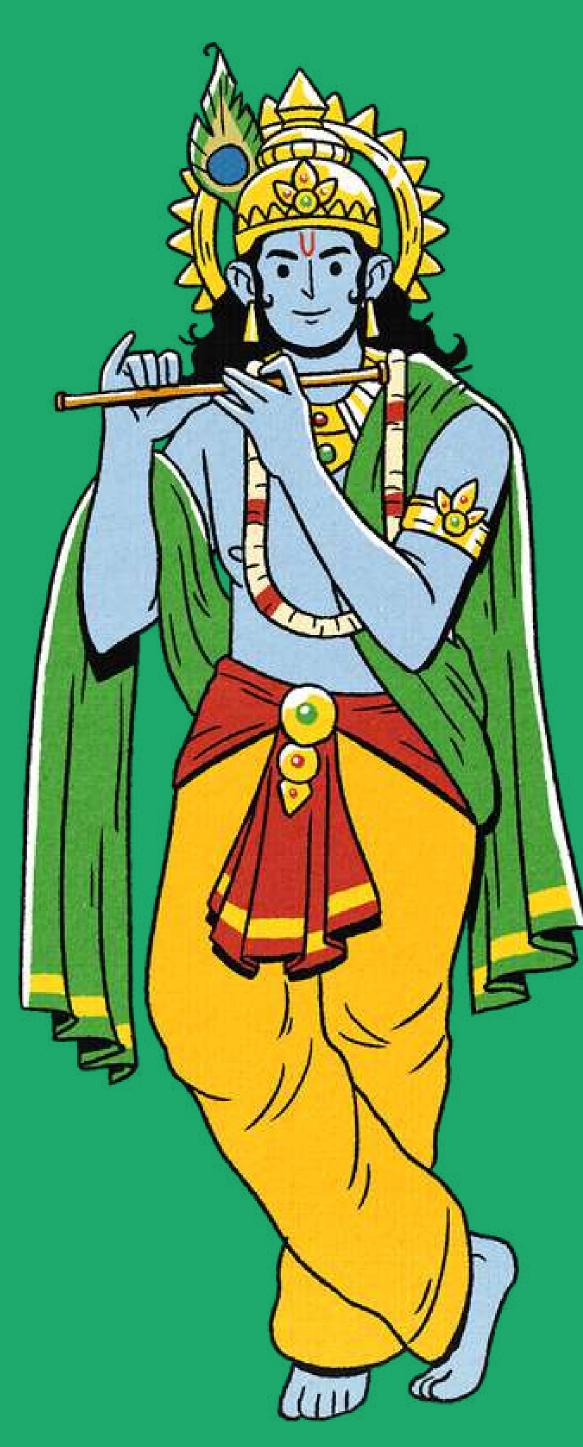

Our honourable Principal Sir and Incharges also appreciated and congratulated all the students and associated teachers for their teamwork and for putting up such a wonderful show!

Kudos to the teachers and students of Class I and II!!
